7th Annual

# Twins Tot Walk & 5K

**RAFFLES!**

Dear JACD Gift Partner,

Thank you for your interest in becoming a Sponsor at our 2018 Twins Tot walk & 5K.

Our seventh annual Twin's Tot walks and added 5K for Drowning prevention hold two purposes. The first is to educate our community about how to keep themselves and their loved ones, primarily children ages 1-4, safer in and around the water. Every year Drowning continues to be the leading cause of unintentional injury death to children ages 1-4 years nationwide. Florida leads the nation in drowning deaths among this age group. Yet, according to the Safe Kids Coalition, 58% of parents and caregivers do not think drowning is a threat.

The second purpose of the Twin's Tot walk & 5K is to raise money for our community based non-profit the organization, Just Against Children Drowning, Inc. JACD is dedicated to ending childhood drownings through community education and offering financial assistance when available for pool fencing, CPR classes, swimming lessons and other water safety devices to ensure families have several layers of protection. Please visit our website at [www.justagainstchildrendrowning.org](http://www.justagainstchildrendrowning.org)

Walk-a-Thon sponsors contribute to both the overall success of our event as well as the on-going educational programming that will have a positive impact on drowning prevention and water safety awareness in our community.

Thank you for your time and consideration,

Sincerely,

**Paul Demello**
